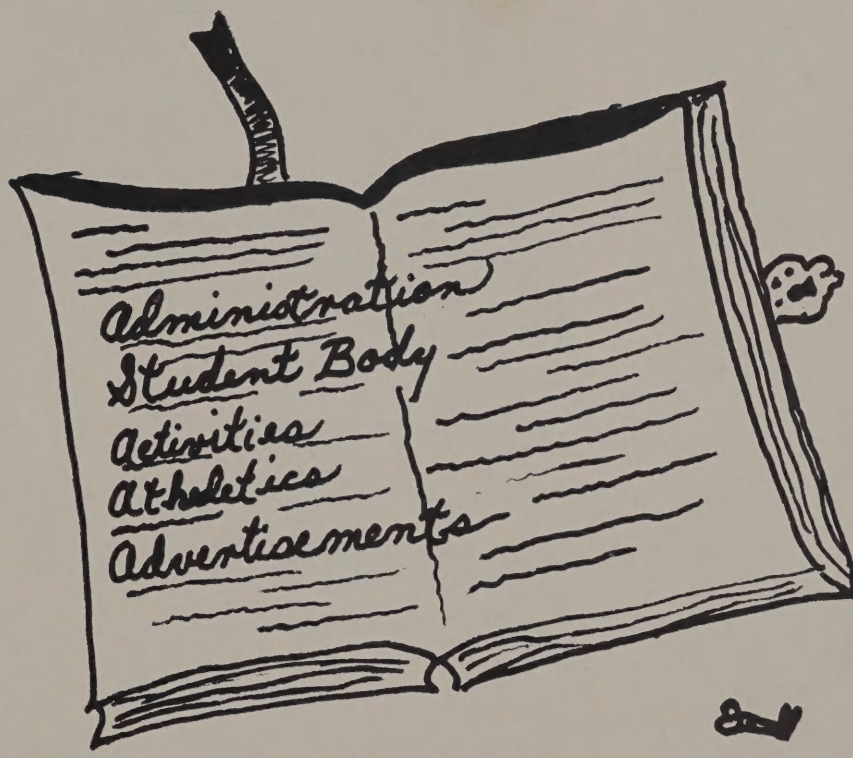
FOREWORD

In this, the 1956 MONELISON, we, the staff, bring you a "Diary" of your high school years. We hope that in the future this book will serve as a remembrance of the best years of our lives; the years of work and play with our friends. With these thoughts in mind, we proudly present to you this, our twenty-seventh volume of the MONELISON.

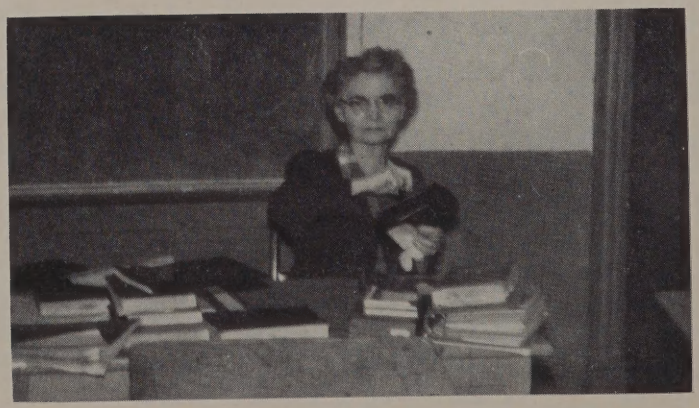
Contents.....



"Dear Diary"

DEDICATION

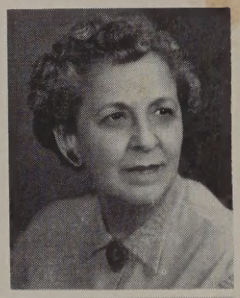
We, the staff of '56, take great pride in dedicating this. the twenty-seventh edition of the MONELISON, to Miss Margaret B. Miller, who through her patience, understanding, and benignity is most deserving of this honor.

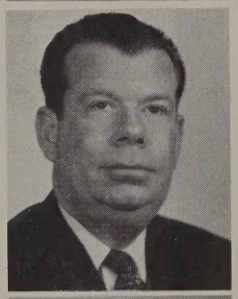


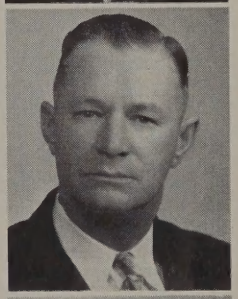
SCHOOL BOARD

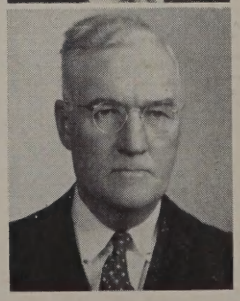
MR. FULCHER

To Our Superintendent and
local School Board members:









We wish to express our sincere thanks to our Superintendent and to the members of our Local School Board for their devotion in promoting education in our community. The unselfish use of your time and efforts has surely been most rewarding as you have seen so many of our young people grow and develop into worthy and useful citizens. These same sincere efforts have made a real contribution toward making our school life more enjoyable and worthwhile.

The members of the Amherst County School Board are Mr. Tyler Fulcher, Superintendent of the Amherst County School Division; Mrs. Bess W. Shrader, Chairman; Mr. Jack F. Thomas, Vice Chairman; Mr. Herbert Camden and Mr. Ashby Wood.

ADMINISTRATION

If you were to ask a cross section of successful American people why they have been so successful in life, you would determine that industry, perseverance, and faith have been the foundation stones to their great achievement. Industry and perseverance have been the forces that have conquered the vast secrets of the Universe to serve mankind. But these could never have been accomplished without the strong pillar of faith.

Each of you can achieve an abiding success in life if you have faith in yourself and in your fellowmen, faith in our country and our way of life, faith in the triumph of good over evil, and faith in God and in a glorious future.

Never allow any person or any misfortune to shake your belief in yourself. You may lose your property, your health, your reputation, other people's confidence, even; but there is always hope for you so long as you keep a firm faith in yourself. If you never lose that, but keep pushing on, the world will, sooner or later, make way for you.

With each of you goes my sincere wish for your every success and happiness in life.

Sincerely,

ALDEN W. WHITMORE

SENIOR CLASS OFFICERS

Secretary ..... CAROLYN LEE
Treasurer ..... NANCY GAYLE ANDERSON
Sponsors ..... MISS MCPHERSON, MRS. FRALEY

Seniors! There seems to be a special and wonderful formula for this word; hard work, plus good times, plus a strong determination to reach this last big step.

Fortunately, we have Mrs. Fraley and Miss McPherson to lead us successfully through our last step.

Our class officers are: Russell Franklin, president; Cary Ogden, vice president; Carolyn Lee, secretary; and Nancy Anderson, treasurer. Our representatives to the Student Council are Cary Ogden, Carolyn Lee, Anne Overstreet, Wilda Smith, Hunter Kidd and Roy France.

"Tonight we launch; where shall we anchor?" is our motto that kept us striving onward. Our class colors are red and white with the red rose as our class flower.

Our first big event of the year was the Senior Play, "Dear Diary," which was a great success. The next big event was our annual Christmas Party, which took place in the school Library. Other highlights of the year were the Junior-Senior Banquet and Dance. We also took a trip to Washington, D.C. Last, but not least, was the Junior-Senior Picnic, when we left school for a day of fun.

We, the Senior Class of '56 wish the best of every thing to the following Senior Classes. We hope the future Seniors will have as wonderful and successful year as ours.

Now, we say, "so long" to dear and forever rememberable M. H. H. S.

CLASS HISTORY

We, a class of one hundred and eighteen, began our struggle to attain our goal of becoming Seniors in Nineteen Hundred and Fifty-two.

We were fortunate to have, as our three leaders, Mrs. McDermott, Mrs. Powell, and Mrs. Sacra. Each one encouraged us when we became downcast.

We chose as our class officers Russell Franklin, President; Edna Brown, Vice President; Anne Overstreet, Secretary and Treasurer; and Cary Ogden as our representative to the Student Council. Our class colors were yellow and white with the yellow rose as our class flower. Our motto, "Step by step, we are on our way, gaining knowledge day by day," kept us striving onward.

This, our first year of high school, brought us many new experiences to which we had been looking forward, one of which was the Freshmen Picnic which was enjoyed by all who participated.

In our Sophomore year, we were happy to have advanced one more step toward our goal of success. We had as our officers Russell Franklin, President; Harry Taliaferro, Vice President; Anne Overstreet, Secretary and Treasurer; and as our representatives to the Student Council, Cary Ogden and Anne Overstreet. We had red and white as our class colors and the red rose as our class flower. Our motto for the year was "Live to Learn; Learn to Live." We had Mrs. Fraley, Miss Miller, and Miss Thompson to guide us on our way.

Our Junior year, our third big step, held numerous experiences for us. We started the year by electing the following class officers: President, Russell Franklin; Vice President, Carolyn Lee; Secretary, Anne Overstreet; and Treasurer, Eleanor Lee. We also elected Anne Overstreet, Euwilda Smith, Geraldine Patterson, and Cary Ogden to be our representatives on the Student Council. "Live to Learn; Learn to Live" was selected as our class motto, with red and white as our class colors and the red rose, our class flower. At Christmas we held our first big event of the year, our annual Christmas Party in the Physical Education Room. Our biggest thrill of the year was the receiving of our Class rings in February. The next big event was the Junior-Senior Banquet and Dance in the Spring. In June we packed our belongings and were off for a day of fun on the Junior-Senior Picnic. Fortunately, we had Mrs. Farmer and Mrs. Stone to guide us through our third big step.

Finally, we reached the fourth step and became Seniors. To assist us in this year we were very fortunate in having Mrs. Fraley and Miss McPherson as our class sponsors. Our class officers, who were chosen at the end of our Junior year, were President, Russell Franklin; Vice-President, Cary Ogden; Secretary, Carolyn Lee; and Treasurer, Nancy Gayle Anderson. Our representatives to the Student Council were Cary Ogden, Carolyn Lee, Anne Overstreet, Euwilda Smith, Hunter Kidd, and Roy France. Our motto, "Tonight we launch; where shall we anchor?" kept us striving forward to reach our goal. Our class colors were red and white with the red rose as our class flower.

The Senior Play, "Dear Diary," was our first big event of the year. Next, we held our annual Christmas Party, which was enjoyed by all, in the Library. We then had the pleasure of being Seniors at the Junior-Senior Banquet and Dance. The highlight of the year was the trip to Washington, D. C., by the Seniors and Sponsors. Last, but not least, we had a day off from school for our Junior-Senior Picnic.

Although all of us have been eager to graduate and start on our own lifetime ambitions, our graduation exercises are the greatest and the saddest of all the events of our Senior year. However, we wish all the success and happiness to the future Seniors at M. H. H. S.

MONELISON STAFF

The MONELISON brings to you illustrations of all the activities of school life, such as classes, sports, and clubs. In order to accomplish this, all members of the staff had to work diligently from the beginning of the school year until the MONELISON went to press.

From the soliciting of ads and the drawing up of the dummy, to the last minute checks and rechecks, the staff worked consistently to have the MONELISON ready for presentation to the faculty and students.

The "Staff of '56" sincerely hopes that you will feel as proud of the MONELISON as they. Here's wishing the future staffs much success.

The Beta Club, the National Honor Society of our school, under the direction and leadership of Mrs. Edythe W. Fraley and Mrs. Winnie B. Cash, got a good start this year when we initiated eighteen new members and together with the twelve old members drew up the objectives for the year.

Our main project was to assist various clubs in paying for curtains for the auditorium. We also sponsored a cake raffle, a play, and a dance to help pay the expenses of the members attending the Beta Club Convention.

The Madison Heights Science Club is affiliated with the Virginia Junior Academy of Science. As a member of this organization, each club member is encouraged by its sponsors to carry out the aims and objectives set up for them by the Academy.

These objectives are for each individual member to the best of his ability to try to:

1. Encourage the study of science and the spread of scientific knowledge.
2. Respect the integrity of others in regard to scientific matters as well as their opinions.
3. Make an effort to understand the scientific method and to apply it to the solution of personal and scientific problems.
4. Study the cause and effect relationships and to apply these to his reasoning and logic.
5. Understand the ideals and standards of this scientific organization and to promote its welfare at any time in a legitimate and dignified manner.

Our topics of study for the year were Astronomy, Wild Life, Indian Relics and Rocks and Minerals. Each member was asked to display his or her interest in the club by choosing a project for the year. These projects as well as individual ones, were exhibited at our annual Science Fair. This fair was sponsored by the club to stimulate interest in science, in our school and to recognize scientific achievement.

Pupils of the high school who show scientific interest and who are willing to abide by the rules and regulations of the club and the Junior Academy of Science, are eligible for membership in the club.

LIBRARY CLUB

The Library Club was fortunate to have this year as our sponsor, Mrs. Mary Pettyjohn. Under her leadership the club, which consists of twenty-two members, holds monthly meetings.

The purpose of the club is to stimulate interest and encourage students who are interested in books and literature and to assist in the maintenance of the library.

Our main projects for the year were to sponsor a school newspaper, furnish blinds for the library and decorate the lunchroom and play Christmas Music during the season. We are looking forward to visiting the library at Lynchburg College.

The Future Homemakers of America is a National Organization in which girls who are taking or who have taken Home Economics participate. Our Motto, "Toward New Horizons," means that the security of the world is in the hands of its youth. The flower, the red rose, is symbolic of courage. The emblem is a house held up by two hands.

Throughout the year, our club plans various activities. This year we entered and participated in the Farm Show, B. A. R. planning meetings which are held bi-annually in the fall and spring, fixed a Thanksgiving and Christmas box, visited the Appalachian Electric Power Company and entertained outsiders.

Last summer we sent a delegate, Rebecca Dawson, to the state F. H. A. Convention at Madison College, Harrisonburg, Virginia. This is done annually.

The K. V. G. (Keep Virginia Green) crew was organized in the early autumn and were taught to work with fire. We placed ourselves at the disposal of the Virginia Forestry Service whenever they need our assistance in protecting our natural resources and wildlife. We are proud to do this for our State.

We elected two crew leaders, Cary Ogden and Ralph Johnson, and their assistants, Bobby Pugh and Ed Williams. They were all capable boys who help lead the others in an informal way. They did a very good job, and we wish we could have them back next year.

ATHLETICS

CHEER LEADERS

The purpose of the cheering squad is to create school spirit among the students and faculty, and to support the team.

This year we had eleven cheerleaders. We split up and five went to one game and five to another while the captain went to every one.

Many times the morale of the team has been low, but the cheerleaders always came through to boost them on.

GIRLS' BASKETBALL TEAM

The enthusiasm of our team this year was wonderful even though our winning streak was below average. But good sportsmanlike conduct is far more valuable than a winning team—to the teams of the future. Enthusiasm and sportsmanship are the foundations for any good team.

Co-Captain, BEVERLY PUCKETT

Captain, CAROLYN LEE

CAROLYN LEE—She has been on the team for four years and will really be hard to replace. We'll miss you, Carolyn.

LOIS CRAWFORD—This is her first year with us and has proved to be a splendid player. We look forward to having her back next year.

BEVERLY PUCKETT—Beverly has been with us for four years, she has really been a good sport as well as a good player.

DOTTIE HARTLESS—She has also been with us for four years. She switched from guard to forward and has done very well. We'll miss her.

DOT CREWS—This is her first year as first string and she has been a great help. Hope to see her back next year.

LILA CRAWFORD—If this is her first year, what will she be like in three more years. We are really looking forward to having her back next year.

JOYCE WOODROOF—Joyce, a newcomer to the team this year, has been a help. Wish she had started sooner.

ELEANOR LEE—Even though Eleanor is short, this has been no drawback. Loosing her will be a great loss.

JOYCE SIMPSON—Joyce is a newcomer to our team, but she has shown much improvement since our basketball season started.

PHYLLIS CREWS—Phyllis, with her height has been a great help. She is expected back next year to replace someone.

SHELBY FARMER—Shelby has showed us that she does have the ability to play a good game. We hope to have her back next year.

SANDRA MURPHY—Sandra, is small, but will be a big help to the team next year.

CINDY CLEMENS—Although this is Cindy's first year she has shown us that she has the ability to be a good player in the future.

CAROLYN OGDEN—Carolyn has had some experience and should be a great help to us next year.

NANCY FRANKLIN—Nancy will probably see much action next year; she has shown great improvement.

BOYS' BASKETBALL TEAM

This year the team has done what it was unable to do in three years. That was they got in the win column. Although, they have no gymnasium to practice in, they have shown great ability to play and good sportmanship. We will be looking forward to next year and will certainly miss the players we are losing this year.

JIMMY SWISHER, *Forward*—This is Jim's fourth year on the squad and will be missed next year.

BILL KOFELDT, *Forward*—A letterman who will help the team a great deal next year.

ROY FRANCE, *Forward*—A reserve player who has proved to be ready and willing to help the team.

DONALD BYRUM, *Forward*—His first year in basketball, has proved essential to the team.

MERWIN EWERS, *Forward*—Merwin, a speedy little player will be essential next year.

SONNY OGDEN, *Forward*—Although, this is his first year he will prove essential in the years ahead.

MAC KIDD, *Center Forward*—Although, Mac started late in the season, he proved to be very helpful to the team. We will surely miss him next year.

BOBBY PUGH, *Center*—With his little experience, Bobby has proved to be very good in his position on the basketball team.

HAROLD EMERSON, *Center*—Although, he has seen little action this year, he will be very helpful next year.

CAMPBELL JOHNSON, *Center*—Although, his first year in basketball, Campbell has proved essential.

CARY STEGER, *Center*—Cary started late in the season and was very helpful to the team.

HARRY TALIAFERRO, *Guard*—Harry was very active this year and has proved to be essential to the team. We will miss him next year.

EDWARD GODSEY, *Guard*—Ed has proved his worth to the team. Will miss him next year.

GEORGE McMANN, *Guard*—Although he is short he has proved to be a very successful player.

DANNY MORCOM, *Guard*—Danny has seen action this year and will be back for more action next year.

RONNIE BRYANT, *Guard*—Although this is his first year with the team he will prove helpful to the team in the future.

RICHARD CAMPBELL, *Guard*—Richard has seen little action this year but we will be looking forward to seeing him play next year.

MIKE CHEWNING, *Guard*—This being Mike's first year at Madison, he hasn't seen much action but is a promising player.

FRANKLIN DRUMHELLER, *Guard*—Although he has seen little action this year, Franklin shows great spirit and wants to play for the team.

BASEBALL TEAM

Last year our Baseball Team had a record of five wins and seven losses. This year we hope to achieve a more successful season although the loss of Herman Carson, Donald Sirocco, and Sonny Viar will hurt us.

With such returning veterans as Ralph Johnson, Cary Ogden, Graham Simmons, William Sandidge, Bill Kofeldt, W. D. Arthur, and several other good players who didn't see much action last year we hope to have an outstanding year.

We also have members who participated in the Babe Ruth League such as: William Sandidge, David Horsely, Bobby Lee, Sonny Smith, Leon Meeks, Douglas Kidd, and Joe Brown.

ADVERTISING SOLICITORS

The advertising solicitors are composed of the senior members of the staff who gave their time and talent to benefit the MONELISON by securing financial aid. In order to accomplish this, we solicited ads from business concerns and individuals in Amherst, Campbell County and the city of Lynchburg.

We would like to express our thanks to Mr. Whitmore and the faculty for excusing us two days for this purpose. We would also like to extend our appreciation to our many friends who gave us the financial assistance and support, without which the 1956 MONELISON would never have been published.
